

Introduction to Computers and the Internet

Hi!

Can you think of a neighbour, friend or relative who would benefit from a beginner's course in Computers, and the Internet?

If so, you might want to tell them that the **CSV Media Clubhouse at the Creative Media Centre, Robertson Street, Hastings**, run a special 12-week 'Introduction to computer and the Internet' course designed specially for them.

For just £40 they can get of 36 hours of personal training and advice with a professional and friendly tutor.

Training session are each 3 hours long and are held every **MONDAY**. You may join at any time and attend either a morning or afternoon session.

Please pass on the news and get your friends and family connected today.

Any age group welcome!

To book a place give us a call or reply to this email.

Kind Regards

**Alexandra Malm
