

CERTIFICATE IN COMMUNITY VOLUNTEERING

If you are working as a volunteer and interested in going further through having your skills recognised elsewhere, then the Certificate in Volunteering could be for you. Similarly, if your project works with volunteers who you think may be interested in the Certificate in Community Volunteering then tell them about this article.

A drop-in centre is now open every Tuesday from 9.30am to 2.30pm based at Hastings Voluntary Action, 31a Priory Street, Hastings, working with volunteers who want to be accredited for their achievements.

Volunteers who want to know more about getting an Accredited Certificate in Community Volunteering can contact:-
