

# LOOKING FOR A GP?

*EAST SUSSEX, BRIGHTON AND HOVE*

-----*Health Authority*-----

- If you want help to choose a GP, we publish three Local Doctor Books which contain details of every GP in our area. You will find them in any doctor's surgery, main libraries, citizen's advice bureaux, or at our offices in Lewes.
- If you can't find the Local Doctor Book you want, ring us on 01273 485364 (direct line, office hours) for a list of GPs in any part of East Sussex, Brighton & Hove.
- Take your medical card – if you have one – to the GP you have chosen and ask if you can register.
- Don't worry if you do not have a medical card as there will be a form available at the surgery instead.
- Once you have found a GP who can take you, he or she will let us know. We will then transfer your medical records from your previous GP to your new one.
- If you have any difficulty in finding a GP to register with, we can find one for you. Just send a **signed letter** for the attention of the Patient Services Department at the address below or fax us on 01273 485394, with your name, address (current and previous), date of birth, previous GP and NHS number (if known), together with details of any other members of your family who may also need to register.
